ABOUT THIS CAUSE

THE PURPOSE:

The Outreach Ministries has been changing lives in our community since the mid-80s. Thriving solely on faith—the Outreach ministries took on the mission to rebuild our community by investing in today's youth through in-service learning, education—specifically literacy, and community service to aid in the fight against homelessness and hunger. As a result, we choose to focus on strengths, rather than weaknesses, self-empowerment, foster leadership skills, promote team-building, and collaboration. Our programs are implemented through a values-based intervention program aimed at “Keeping Kids off the Streets” as well as instilling the importance of showing genuine care and concern for others.

OUR WALKERS:

Our walkers are community youth, families, and business leaders who believe in our mission of instilling positive change in our youth. This change is accomplished by engaging youth in in-service learning through feeding the hungry, sheltering the homeless and becoming youth mentors.

SPONSORS:

The Outreach Ministries of Central, FL is seeking sponsors for the “Keep Kids off the Streets” Walk-A-Thon. The sponsorships, opportunities, and benefits of sponsoring at each level are outlined in this packet.

Becoming a sponsor is a powerful opportunity to join in the cause, as the community youth, Outreach Ministries, and area businesses join forces to support programs that will foster positive change. Sponsorships are accepted in the form of financial support and in-kind support. Each level of support has been outlined in this packet. You can join in supporting this cause, all while gaining valuable recognition for your organization. Don't miss out on this awesome opportunity!
